Baby Think it Over: Our Baby Think It Over program uses computerized dolls to simulate what it is like to care for an infant. The program also promotes abstinence and infant safety. Baby Think It Over simulators and curriculum materials are available for loan to schools, youth groups, scouts, and other teen-serving organizations/programs.

MRCC Food Co-op: Partnering with the Missouri Rural Crisis Center, once each month we can offer people approximately \$40 worth of groceries for \$22. Co-op members pay an annual membership fee of \$10 and the \$22 monthly co-op fee each month they receive an order of food which includes bread, produce, paper products, and canned goods, as well as MRCC's own Patchwork Farms meat products. Members may request multiple orders at the same price per order. Additional meat may be ordered at reasonable rates. All participants of the food cooperative must be current MRCC members. Anyone may participate, regardless of income.

The Community Closet: PCCP has a supply of personal care and household items donated by the community that are available to people in need who are our clients or are referred by a partner agency. Donations of diapers, wipes, hygiene items, toilet paper, paper towels, Kleenex, feminine products, etc. are always welcome throughout the year.

Community Resource Directory: We publish a directory of community resources that is available in our lobby at any time. Please contact our Executive Assistant to have information added or updated for your agency.

PCCP Housing Services: PCCP receives grants from various sources to assist people who are literally homeless, or imminently homeless, in securing stable housing. Skilled case managers interview potential clients to determine whether the client meets the funder's requirements for assistance. Assistance may be provided, as funds are available, to people who qualify. Determination is made on a case-by-case basis.

P.R.O.P. – Putting Roofs Over People: The branch of our housing efforts where PCCP staff members meet with other social service agencies, schools, churches, businesses and individuals to discuss efforts and needs around homelessness in order to provide coordination around housing and other assistance for meeting needs of vulnerable populations.

Homeless Hotline – (660) 287-2228: We serve people who are literally and chronically homeless through the Coordinated Entry hotline serving 9 counties in west central Missouri (Johnson, Lafayette, Pettis, Saline, Benton, Bates, Cass, Henry, and St. Clair). Call the hotline to begin the intake process.

Pillars of Pettis County: This is a group of community partners who are working to find a viable solution to provide transitional housing for people who are homeless in Pettis County. The meetings are held in the PCCP conference room.

MO Reentry Process Steering Group: Community partners share and coordinate resources around housing, education, family support, employment, mental health, and other issues. All with an interest in reentry are welcome to attend. Meetings are held on the first Monday of each month at noon in the PCCP conference room.

Multicultural Services: Cherishing diversity of our residents, PCCP strives to heighten cultural awareness and appreciation.

Family Nutrition Education (Spanish & English): Our educators help families learn how a well-balanced meal promotes child development and adult health. University of MO Extension is our partner.

Open monthly meetings hosted by Pettis County Community Partnership:
